Dear Ms. Grubaugh-Littig:

PacifiCorp proposes to drill up to five coal exploration holes in the right fork of Rilda Canyon in Emery County, Utah. All holes would be drilled using a helicopter-transported rig. Two of the holes would be located on Federal coal lease U-06039 and the three remaining holes would be located on unleased Federal coal under coal exploration license number UTU-78762.

Please review this exploration plan (one copy enclosed) and provide any recommendations to this office.

If you have any questions regarding this matter, contact Don Stephens at the Price Field Office (435-636-3608).

Sincerely,

Thomas E. Thomas (Acting)
for Richard L. Manus
